EDUCATION

ETHZ, Swiss Federal Institute of Technology

MSc in Mechanical Engineering. Major in robotics/control and management. GPA: 5.39 (max 6)

Zürich, Switzerland

Sept. 2022 - Present

EPFL, Swiss Federal Institute of Technology

MSc in Micro- Engineering. Major in solar technologies. GPA: 5.30 (max 6). (discontinued)

Lausanne, Switzerland

Sept. 2021 - Aug. 2022

EPFL, Swiss Federal Institute of Technology

BSc in Micro- Engineering. GPA: 5.23 (max 6)

Lausanne, Switzerland

Sept. 2018 - June 2021

USJ, Saint-Joseph University of Beirut

Off-Curriculum Studies

Beirut, Lebanon

Sept. 2017 - Dec. 2017

WORKING EXPERIENCE

Sensirion

R&D Engineering Intern

Stäfa, Switzerland

Sept. 2023 - Present

- Development of a next generation high accuracy low cost humidity reference.
- Technical support for multiple humidity and temperature related projects.

EPFL

Teaching Assistant in Mathematical Analysis

Lausanne, Switzerland

Feb. 2021 - Jul. 2021

Swiss Army

Intelligence Soldier in the Air Force

Switzerland

Feb. 2018 - May. 2018

ACADEMIC PROJECTS

Machine Learning Semester Project

Emerging Intelligent Substrates Group at the Institute for Neuro-Informatics (INI)

ETHZ - UZH

Mar. 2023 - Jul. 2023

- Discovery of a low-power neural architecture through evolutionary methods for solving the spiking Heidelberg digits (SHD) dataset..

Nano-Engineering Semester Project

Micro-Systems Laboratory

EPFL

Feb. 2021 - Jun. 2022

- Design, COMSOL simulation, and iterative improvement of superconducting electromagnetic resonators for high accuracy and highly parallel temperature measurements in cryostats for quantum computers.

Robotics Semester Project

Mobile Robotics Lab as a part of the Hiveopolis Project

EPFL

Sept. 2021 - Jan. 2022

- Design, fabrication and automation of a 1D measurement system for vibrational characterization of tweaked bee combs for human-bee communication.

EXTRACURRICULAR PROJECTS

ShARE's Leadership Program

Consultant and Team Leader

EPFL - International

Sept. 2020 - Nov. 2022

- Interim Vice-Presidence (2022): Planning and organization of the 2022 Autumn Semester.
- Analyst for a start-up (2022): Second hand online clothing platforms.
- Analyst for a start-up (2021): High end tech-watches.
- Analyst for a start-up (2021): AI enhanced stethoscope for lung disease diagnosis.
- Exercise analysis (2020): The potential for renewable energies in the Lebanese energy mix.

International Genetically Engineered Machine Competition (IGEM)

Head Engineer and Laboratory Technician

EPFL

Feb. 2021 - Nov. 2021

- Project: project selection, definition, literature review, and planning of experimental and technical tasks.
- Communication: stakeholder interviews, Sensitization of school children, production of a podcast ([Spotify link here](#)).
- Technical: design, prototyping, and testing of a raspberryPi controlled bioreactor for continuous treatment of water. Laboratory support for biological and chemical procedures and experiments.

TECHNICAL SKILLS

Software

- Programming Languages: Python, C/C++, Matlab, Arduino, SQL, VHDL, HTML/CSS, Javascript, C#, Java
- CAD: Autodesk Fusion 360, Catia V5
- FEM: COMSOL
- PCB design: LibrePCB
- Version Control: Git

Research

- DOE: Design of Experiments

Laboratory Experience

- Clean room experience, Synbio laboratory experience, chemistry laboratory experience

LEADERSHIP

Vice-Presidence for EPFL at ShARE’s Leadership Programme EPFL

- Planning and organizing the local association with respect to the University and business partners

Team Leader at ShARE’s Leadership Programme EPFL

- Training of the next generation of ”do well do good” ShARE EPFL consultants

Event Organizer ETHZ - EMC2

- Planning and organization of events for students in the Masters of energy systems and technologies program

LANGUAGES

English (Native), French (Native), German (B2), Swedish (Spoken B1), interest in Levantine Arabic (A2), and Italian (A1)

Personal Interests

Sports: Skiing/Snowboarding, Boulderling, Tennis, Ice Hockey

Music: Formally trained as a pianist, informally playing any other instrument I can get my hands on

I authorize the treatment of my personal data according to GDPR (EU) 2016/679
